

## ПГ 6100-04

### General characteristics

|  |                                    |
|--|------------------------------------|
| Connection type                            | Gas                                |
| Number of cooking zones                    | 4                                  |
| Model color                                | White                              |
| Hob material                               | Enamel                             |
| Material of hob grid                       | Cast Iron                          |
| Double-zone ring of hob                    | No                                 |
| Cover                                      | Metal                              |
| Hob burners gas control                    | Yes                                |
| Oven gas control                           | Yes                                |
| Hob burners electric ignition              | Knobs integrated                   |
| Oven electric ignition                     | Knobs integrated                   |
| Timer                                      | Electronic Multifunctional         |
| Oven rails type                            | Wire                               |
| Type of cleaning                           | Hydrolytic                         |
| Внутреннее покрытие духового шкафа         | Эмаль легкой очистки SMART CERAMIC |
| Inner glass with thermo-reflective coating | No                                 |
| Door closer "Soft-close"                   | No                                 |
| Number of glasses in the oven door         | 2                                  |
| Box for accessories                        | Pull-out Drawer                    |
| Сортировка по категории (для поиска)       | 1                                  |

### Control functions

|                        |        |
|------------------------|--------|
| Oven interior lighting | Single |
|------------------------|--------|

|                                  |            |
|----------------------------------|------------|
| Oven temperature control         | Thermostat |
| <b>Oven working modes</b>        |            |
| Grill                            | Yes        |
| Low heating                      | Yes        |
| <b>Accessories</b>               |            |
| Spit                             | Yes        |
| Roaster                          | 1          |
| Set of adjustable feet           | Yes        |
| Set of replaceable injectors     | Yes        |
| Baking sheet pan                 | 1          |
| Hob grid                         | 2          |
| Oven grid                        | 1          |
| Glass baking dish                | No         |
| Rotisserie                       | Yes        |
| <b>Technical characteristics</b> |            |
| Grill burner, W                  | 1900       |
| Range of rated mains voltage, V  | 220-230    |
| Weight (net/gross), kg           | 44,5 / 50  |
| Rated mains frequency, Hz        | 50         |
| Oven volume, l                   | 52         |
| Oven main burner, Wt             | 2350       |
| Width, cm                        | 60         |
| Depth, cm                        | 60         |
| Height, cm                       | 85         |

### Режимы работы

|   |               |
|---|---------------|
|  | Нижний нагрев |
|  | Гриль         |
